EDspaces 2018 Call for Presentations Now Open

(Silver Spring, MD) — The [Education Market Association \(EDmarket\)](http://www.edmarket.org) is calling upon thought leaders to shape the future of educational facilities at [EDspaces](http://www.edspaces.com), November 7-9, 2018 in Tampa, FL. EDspaces features more than 100 speakers presenting education sessions on emerging trends, thought-provoking topics, and cutting-edge ideas for the educational environment.

Industry experts are invited to share their knowledge and expertise by [submitting proposals](#) for engaging presentations that inform EDspaces attendees about proven practices, push the leading edge of the profession, and motivate the pursuit of excellence. The EDspaces Education Committee will weave together a series of curated sessions that inform and support the future of educational facilities in the following program areas: Community Engagement; Design/ Infrastructure, Environment/Health, School & College Planning/ Operations/ Management, Pedagogy/Student Outcomes, and Technology Integration.

“The high-level conversations happening at EDspaces focus on the convergence of pedagogy, environment, technology and innovation on student outcomes,” says Jim McGarry, EDmarket President/CEO. “We invite creative thinkers to share their unique perspective on integrating space and pedagogical needs to improve teaching and learning.”

EDmarket is privileged to partner with leading professional and trade organizations including the American Institute of Architects Committee on Architecture for Education (AIA-CAE), the International Interior Design Association (IIDA), and the U.S. Green Building Council (USGBC). The AIA-CAE also co-locates their Fall Meeting at EDspaces providing valuable assistance with education and tour planning.

Gain visibility in the industry and contribute to the advancement of the profession by [submitting a proposal](#) by **Wednesday, March 21, 2018**.

About EDspaces:

EDspaces is an international conference that brings together the key professionals who plan, design and manage innovative learning environments. At EDspaces, leaders and decision makers from school districts and colleges, architects, interior designers, dealers and exhibitors engage and participate in the ongoing transformation of the learning environment. www.ed-spaces.com

About the Education Market Association (EDmarket):

The Education Market Association connects people who want to succeed in the education market by providing events, resources and leadership to those serving education. www.edmarket.org
